Dear Alumna,

Greetings and Best Wishes for the New Year from the Alma Mater!

I write this, on behalf of all of us at PSGRKCW, to re-connect you with your alma mater. As you may have already realized, we are approaching the 50th year of our establishment (1963-2013). We have planned to celebrate our ***Golden Jubilee*** on a grand scale with active involvement, commitment and support from all stakeholders, including our alumni. The celebrations will officially kick-off on the ***28th of June 2011 and culminate on the 28th of June 2013.***

You know that our founders – Shri G.R. Govindarajulu and Smt. Chandrakanthi Govindarajulu – gave us our motto, “Educate to Empower”. We have been constantly striving to realise this goal by treading a path of academic excellence. We have been serving the society through all our actions and efforts. We aim at excellence in all we do. Education of the less privileged sections of our society, particularly women, has been at the core of all our programmes and activities.

As a part of our Golden Jubilee celebrations, we have planned for a new academic block, costing about Rs. 4 Crores. This block is expected to alleviate our requirement of class rooms and other learning facilities.

Alumni, such as you, play an important and critical role in our institution-building efforts. I hope that you enjoyed your stay in the college, and have been enriched by the experience you gained. I am writing this with liberty to ask you to contribute generously to PSGRKC Alumni Association toward the cost building the new academic block that will be named after the PSGRKC Alumni. Every financial contribution – however small – will count and will be recognised publicly.

You may send in your contributions by a cheque drawn in favour of ***“PSGRKC Alumni Association”***, payable in Coimbatore. Cash can also be accepted at our office.

I look forward to your contributions pouring in soon.

With best wishes,

Sincerely,

Dr (Mrs) N. Yesodha Devi

Principal
